

ĀMAN² Order Form

This photographic essay by noted photographer Basil Pao reveals the subtle grace and warm spirit of Amanresorts' second decade. With a foreward by founder Adrian Zecha, the 264-page Aman² captures the essence of properties that extend from the remote slopes of the Himalayas to the snowy peaks of the Alps, from the shimmering waters of the Andaman Sea to the reefs of the Caribbean, from the steps of Borobudur to the fringes of the Summer Palace in Beijing.
