Luxury Beach Resort in Trancoso

4 nights

In Trancoso you'll find a mix of the Brazilian Glitterati and 'in the know' international travelers (as well as the relaxed and friendly locals) who come for the unique atmosphere and stunning location. As a result you'll find a range of top quality restaurants, boutique shops and a great social scene while the village still maintains the laid back, unassuming and quintessentially Brazilian warmth that draws people to this rustic part of Brazil.

There will be a beach buggy waiting for you in the car park allowing you to explore dirt roads that lead to villages further down the coast where you can see more of the genuine coastal Brazilian life and find some excellent restaurants in secluded bays selling fresh seafood.

You stay in a private resort of just 5 chalets set in beautiful gardens running straight down to the beach, you have the best, a luxurious two-storey chalet with jacuzzi and a veranda that looks out across the sea. This is one of the best rooms in Brazil. The resort provides a wealth of services to help you to relax including kayaking, horse riding, tennis, and massages whilst adjoining the hotel is South America's only PGA standard golf course. The hotel restaurant is excellent, run by a specially imported European chef.

Day 5

Eduardo will return in his Land Rover to bring you back along the coast to the airport.

Luxury off the beaten track in Alagoas

4 nights

The small state of Alagoas has perhaps the most beautiful coastline of all Brazil, with mile upon mile of unspoilt deserted beaches. This is where you can truly kick back, relax and enjoy the easy-going, Brazilian pace of life.

The sea here is warm and crystal clear and the reefs form many natural swimming pools for you to explore as the tide goes down. Or perhaps you'd simply like to relax with a drink on the paradisiacal beach just a few steps away from your villa.

Your luxurious hotel focuses on privacy aligned with exquisite service. You will stay in a villa which boasts its own heated infinity-edged plunge pool, a traditional Japanese ofuro tub made of fragrant hand-planed cedar wood and an outside deck in a private garden.

If you want a distraction from the miles of deserted beaches then the hotel has a spa and a gym, as well as a superb restaurant and a wine bar.

When it comes to getting away from it all on an unspoilt beach, whilst still enjoying creature comforts, then this hotel is the ultimate destination.

– *Beach-front chalet with private plunge pool, Breakfast included*

Of note
**One of Brazil's
best spas**
**Excellent food
& wine**

Day 9

Luxury private transfer to the airport..

Flight: Maceio (MCZ) - Natal (NAT). In Natal airport your driver will be waiting for you in arrivals, ready to bring you by Land Rover to your hotel in the charming village of Praia da Pipa.

Luxurious Chalet in Praia da Pipa

4 nights

A unique location in Brazil, the small fishing village of Pipa perches on cliffs overlooking some of Brazil's most beautiful beaches. The warm tropical sea here is frequented by turtles and dolphins. A mixture of dramatic cliff faces and giant sand dunes, this is a fascinating coastline to explore. The water is warm and crystalline and there are many natural swimming pools formed in the reef as the tide goes out.

In the village there are some excellent eateries hidden away for those in the know – we will ensure you are. We can organise anything from scuba diving to visiting natural swimming pools formed in the reef, perhaps kite surfing lessons and even dune surfing and off road driving. Another option is deep sea fishing off the coast of Natal.

Didier will call to arrange a time for a very special tour of the area. Boarding his catamaran he will take you through the bay of dolphins (stopping to swim and snorkel if you want) or walk on the deserted beaches before rounding the cape into a mangrove-lined lagoon where you stop for fresh oysters at a rustic waterside bar with local fishermen, before heading for a wonderful seafood lunch cooked by Momo and Lucia, and ending at a beautiful spot to watch the sunset.

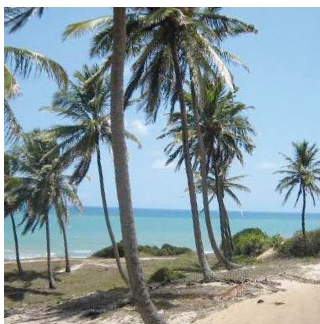

Set just to the side of the village in a large area of private gardens and rainforest, you stay in one of the best rooms in Brazil, a vast luxury chalet built in the style of an opulent colonial residence encircled by a pleasantly shaded veranda and decorated with antique furniture and period pieces. More modern luxuries are seamlessly integrated, the semi-open shower-room (with double waterfall showers) leads onto a hidden veranda at the back of the chalet with an outdoor Jacuzzi (incorporated into a free standing old fashioned bath tub).

Walkways guide you through the beautiful gardens to 2 large ionised swimming pools. The abundance of trees amongst the well designed grounds meaning that you always feel a great deal of privacy, though friendly and well trained staff are never far away should you need refreshments. Breakfasts are a special treat with a great selection of fruits, freshly baked breads, cakes and tasty local dishes cooked to order. The restaurant and pool bar offer great food (some of the best in the village) with some interesting modern takes on local dishes.

- *Luxury Chalet, breakfast included*
- *Boat trip on Catamaran with Didier*

Of note

5 minutes walk from the beach
Perhaps the best room in Brazil
Marine wildlife particularly the plentiful dolphins

Day 13 From midday your driver will let you know he is waiting with the Land Rover by reception to bring you to the airport in time for your connecting flight.
